Conversations

Compliance & Onboarding Support

Configurable Channel Failover to SMS  
or Other Channel Supported Channels

Trusted Messages

Template Messaging for A2P  
Communications

Sandbox Environment for  
Integration & Testing

True Delivery and Read Receipts

## Optimize the customer experience with personalized programmable customer communications

### Group Conversations

Send group targeted surveys and feedback requests about products or services, and requests for user-generated content, to gain valuable information and develop a better, more personalized customer relationship.

### Customer Care and Support

Enable your customer service agents to respond to customer-initiated conversations. Provide quick support, get instant feedback and resolve issues in one-on-one conversations

### Real-Time Notifications

Use message templates to create rich notifications for package deliveries, alerts for travel itinerary changes, system outages, and location-targeted alerts. Send notifications about orders or deliveries, appointment reminders, payment processing, and more.

# Connect with your customers on a familiar channel that is fast, reliable and more secure

## Reach & Engage More Users

Tap into 2 billion users with more than 65 billion messages currently being sent daily via WhatsApp<sup>1</sup>.

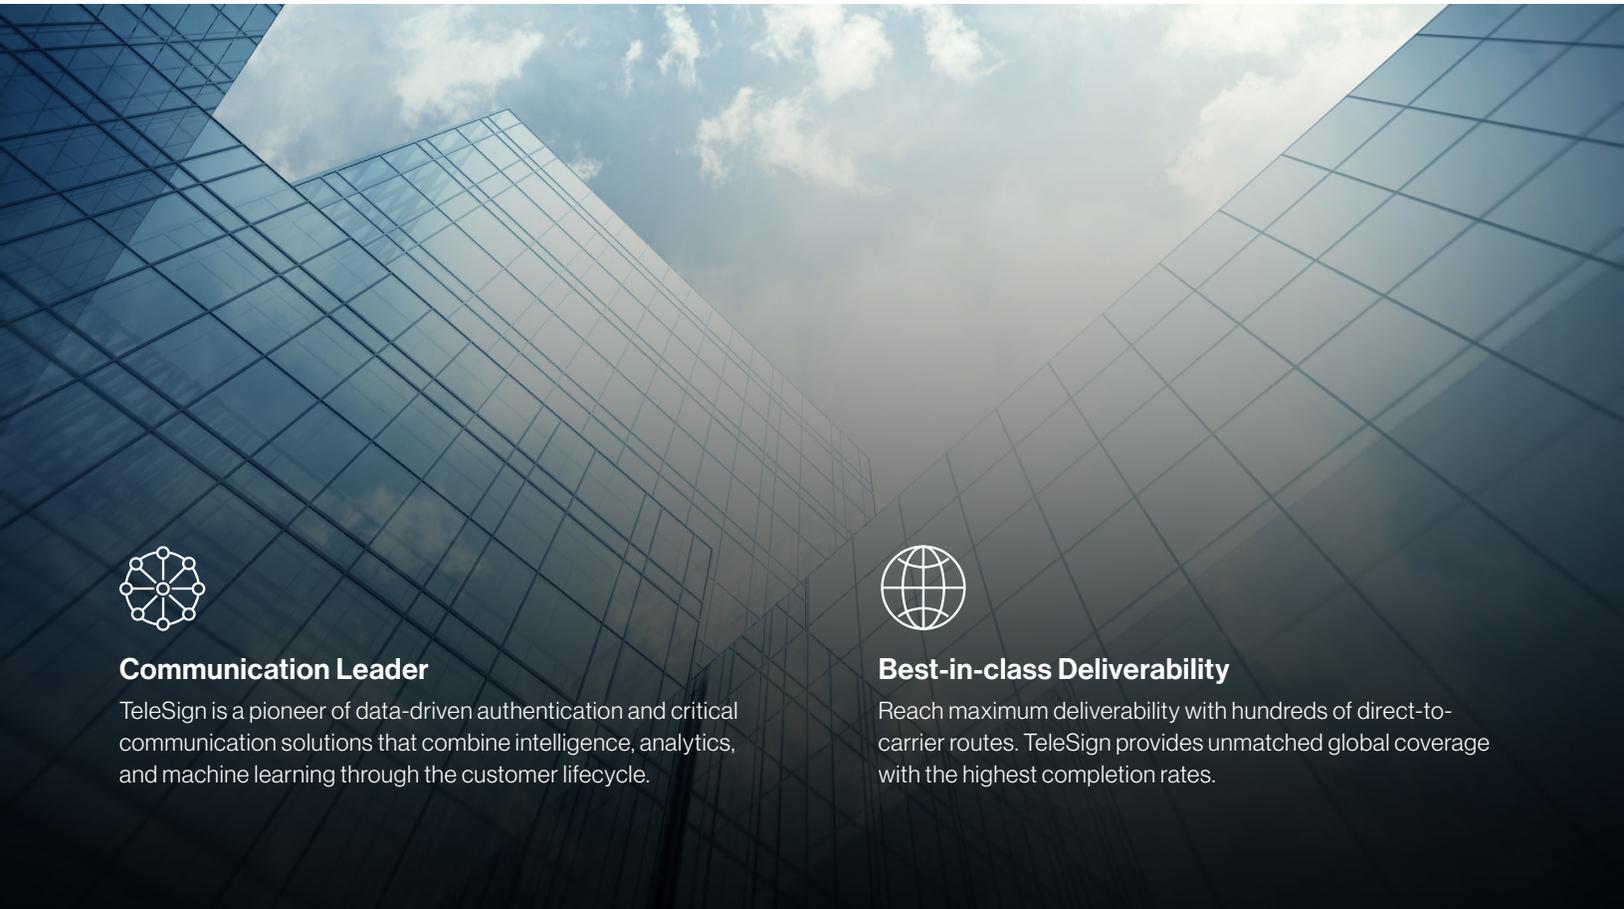

## Communicate More Effectively

Customers prefer WhatsApp for customer service because it saves them time; no more holding, convenient anytime engagement with multiple formats<sup>2</sup>.

## Grow the Business

Create a frictionless experience, deliver better customer support and experience up to 40% more engagement<sup>3</sup> with higher conversions and retention rates.

## Communication Leader

TeleSign is a pioneer of data-driven authentication and critical communication solutions that combine intelligence, analytics, and machine learning through the customer lifecycle.

## Best-in-class Deliverability

Reach maximum deliverability with hundreds of direct-to-carrier routes. TeleSign provides unmatched global coverage with the highest completion rates.
